**Mr. Growly** is a 3-piece Guitar/Bass/Drums combo from San Diego, CA. Original instrumental rock, with a nod to surf music and early 1950's guitar pioneers.

**Mr. Growly** writes grooving, heavy original tunes that are mesmerizing and exciting, with a nod to the pre-rockabilly, guitar-based roots of early rock and roll.

**Rick Wilkinson (Guitar)** has fronted punk rock and surf bands, including two of So Cal's most successful instrumental surf bands, *Surf Report* and *CHUM*. He's been playing, recording, touring, and making his own musical gear since he was 16.

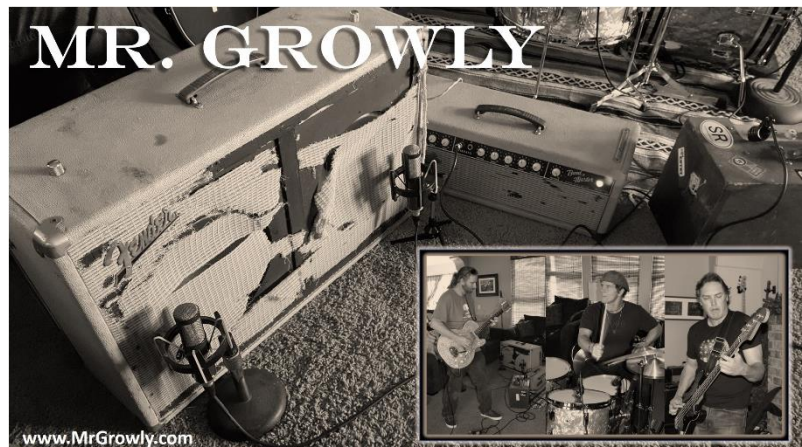

**Dave Rodway (Drums)** cut his drumming teeth in the clubs of NYC. Touring, recording and performing in the U.S. and Europe, he landed in So Cal in 2006, where the journey continues.

**David Raichel (Bass)** hails from Los Angeles and has been playing bass and performing in and around Southern California for the better part of 25 years.
